Basic Criminal Investigations

The criminal investigation process is one of the most challenging aspects of the law enforcement profession. Thorough and comprehensive investigations often yield successful criminal prosecutions, resulting in safer and healthier communities. The first step in delivering a comprehensive case for prosecution involves understanding and adhering to the core principles of the investigative process. This three day course will provide attendees with such principles and will provide a platform from which both novice and experienced law enforcement officers can develop further skills and abilities to conduct professional criminal investigations. ***Click on the link (above) for registration and additional information or go to http://www.fletc.gov/osl/tuition-free-training-programs.***
