DURING THE PERIOD
10/01/01 TO 09/30/02

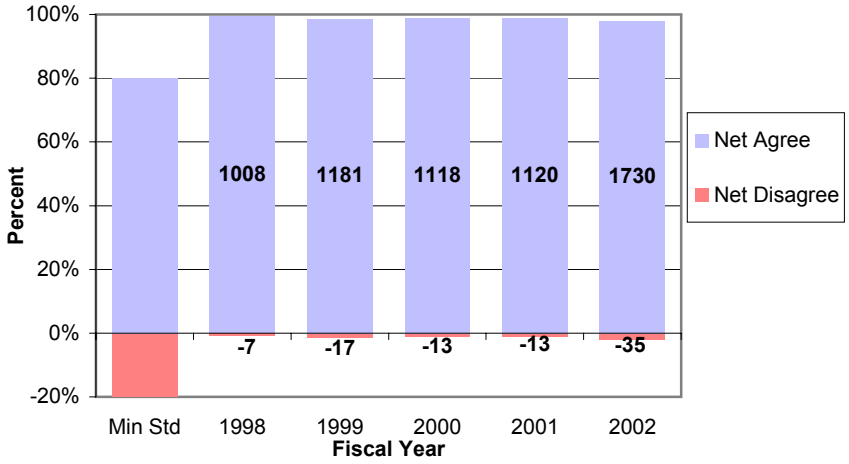
Number of Students Responding

FY01: 1136
FY02: 1800

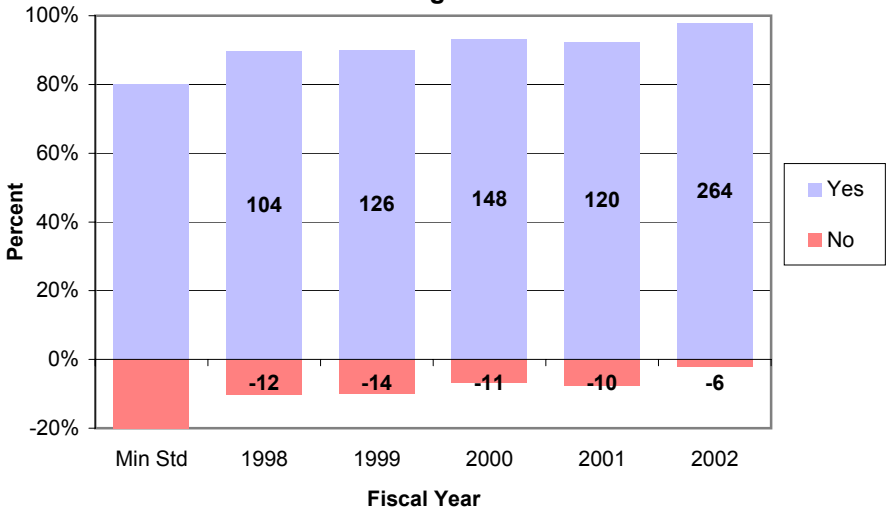
Updated 12/6/02

FACULTY SUPPORT

1. The Program Specialist, Training Technician, or Faculty Advisor explained what was expected of students during the program.

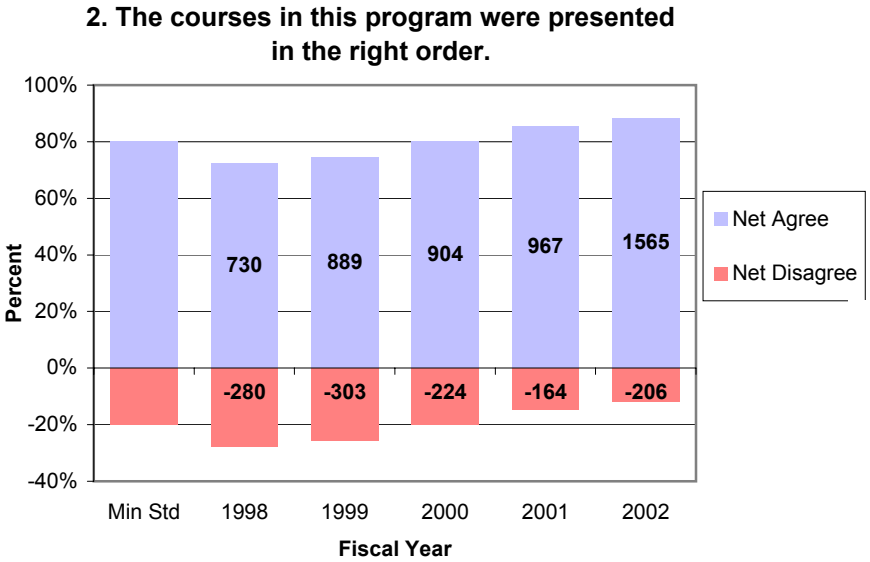


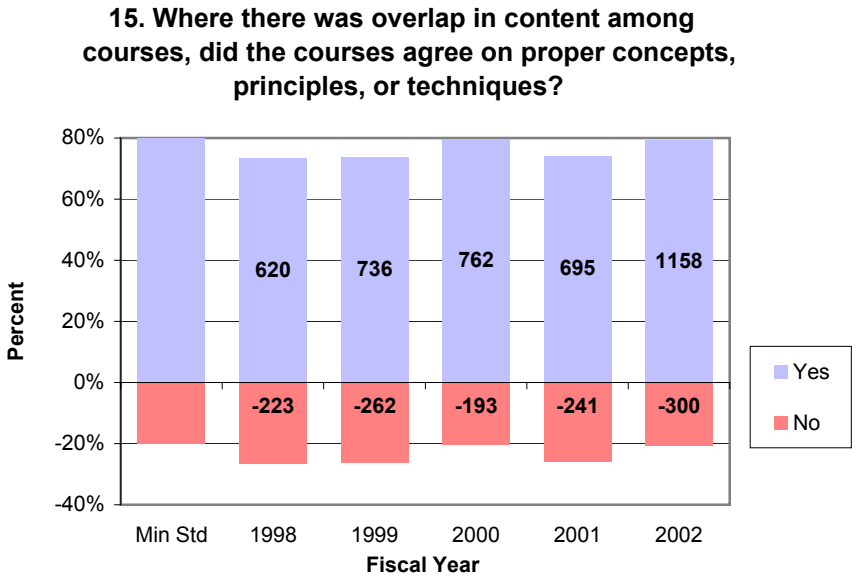
14. If requested, did you receive satisfactory academic counseling?



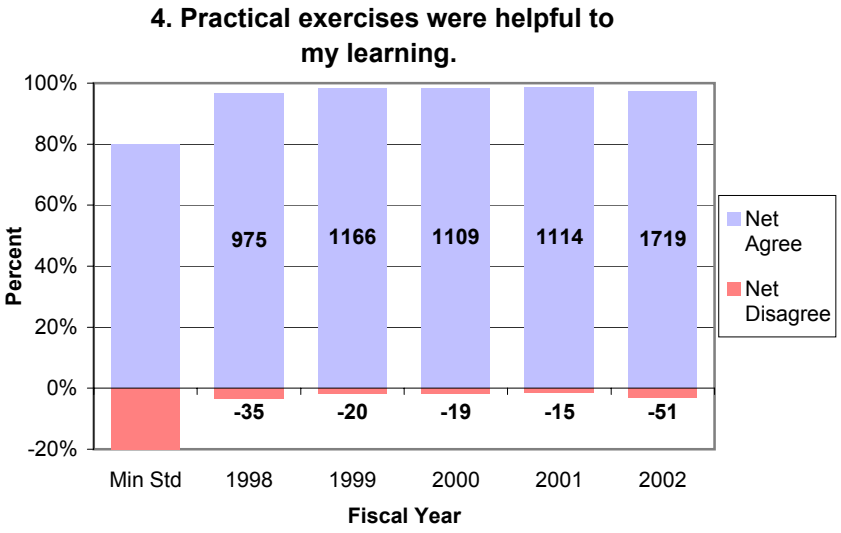
The negative percentages, all of which are presented in salmon, represent the students who were less than satisfied with a particular area of the program.

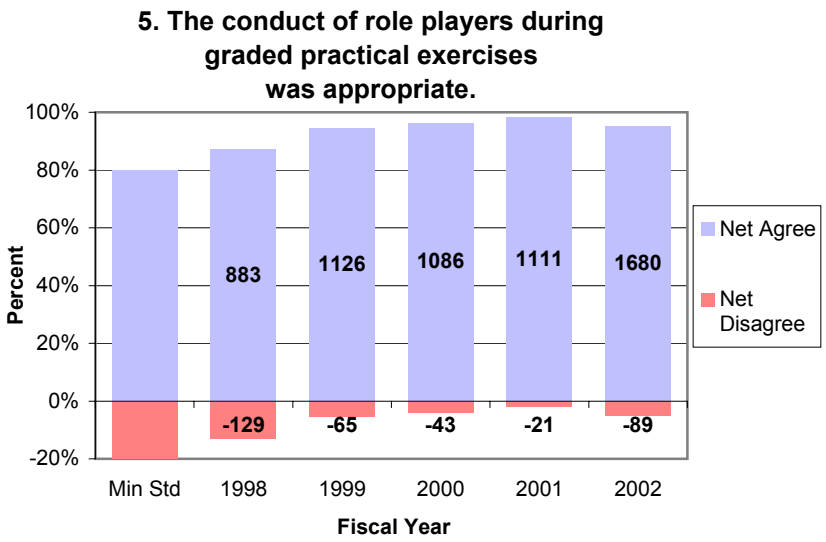
PROGRAM ORGANIZATION

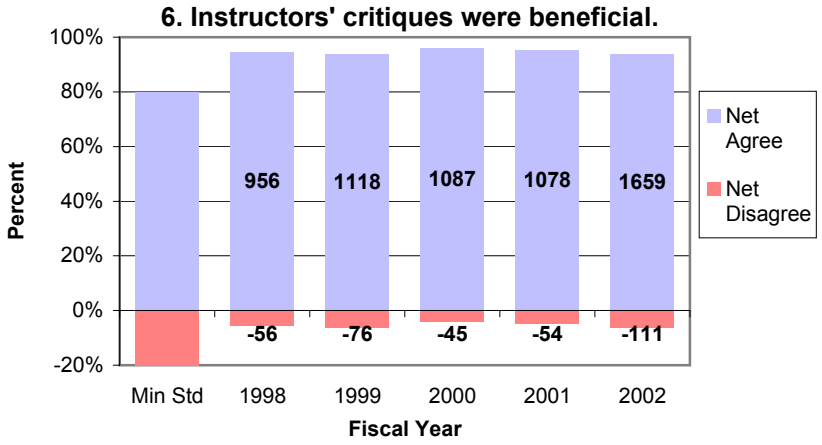


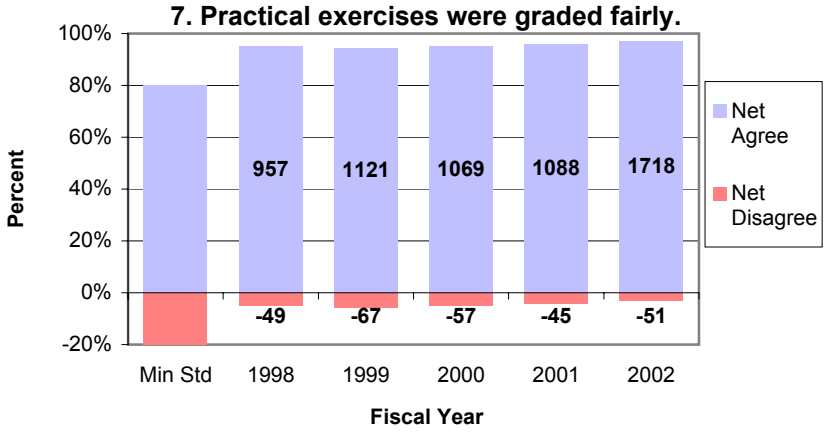


PRACTICAL EXERCISES



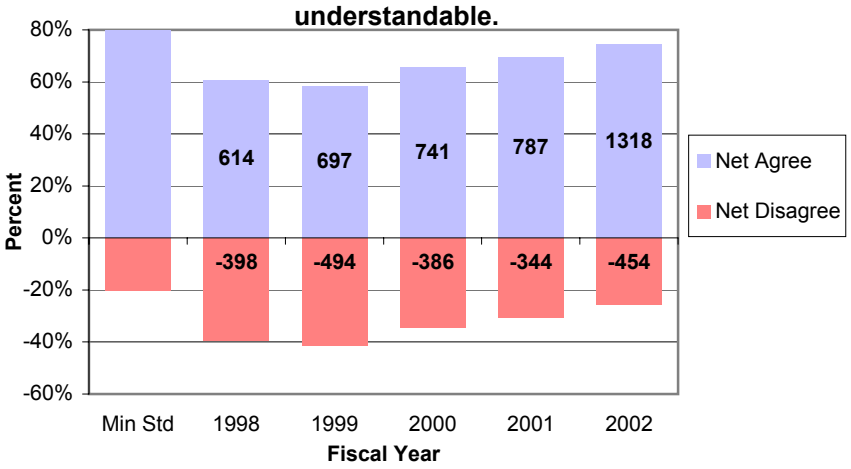




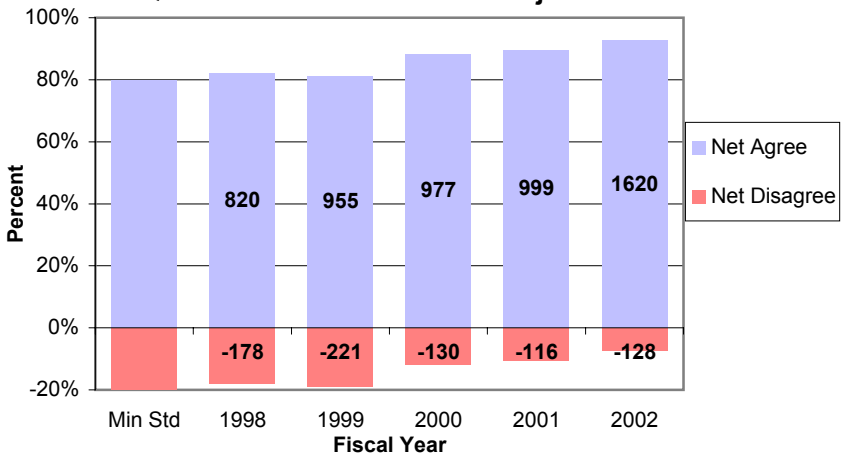


WRITTEN EXAMINATIONS

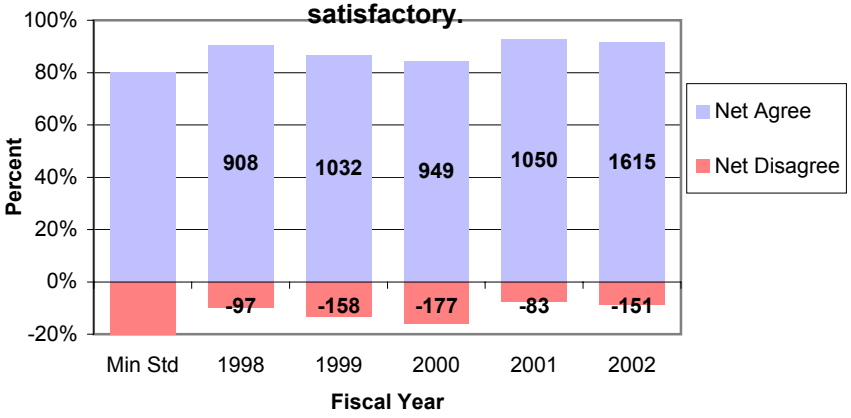
8. Exam questions were clear and understandable.



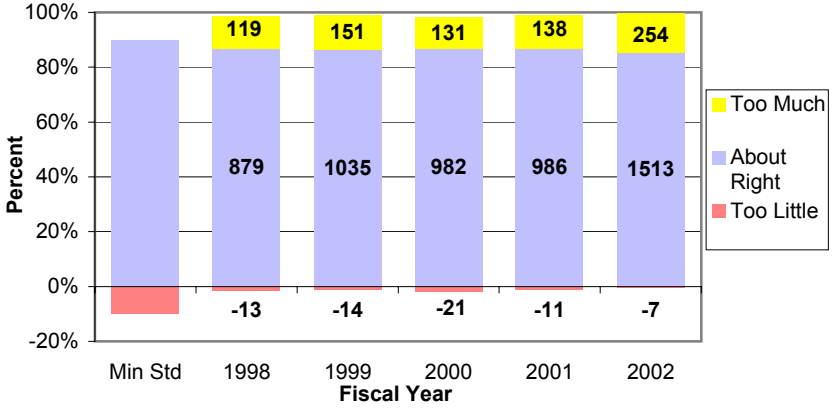
9. Questions tested the course objectives.



10. After completion of exams, the procedure for informing students of correct answers was satisfactory.

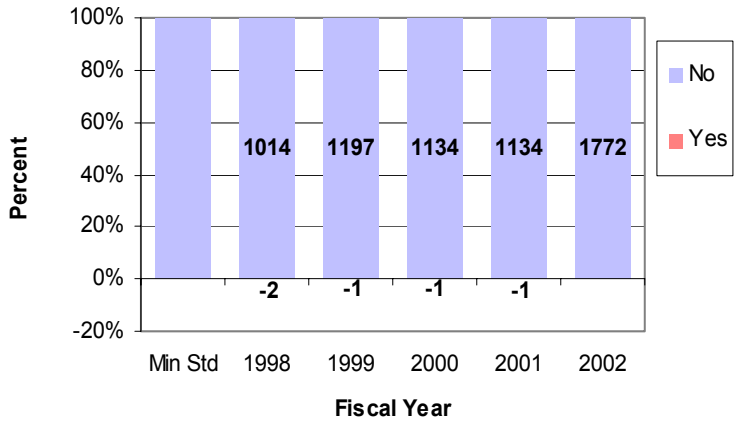


11. The time allowed for completion of written exams was:



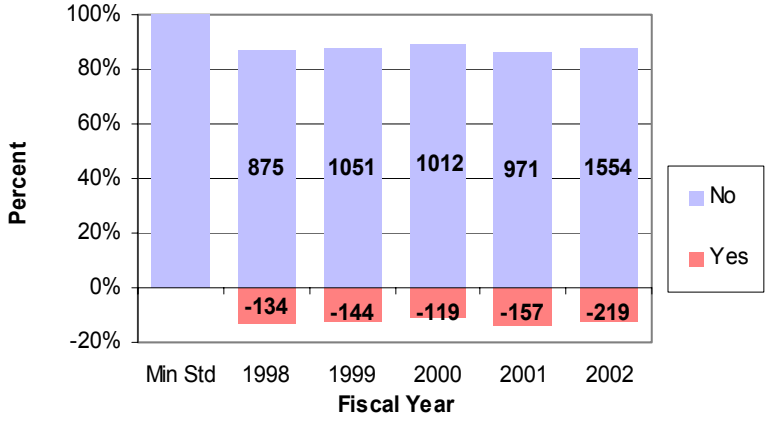
STUDENT CONDUCT

12. Did you notice any cheating on written examinations in this program?



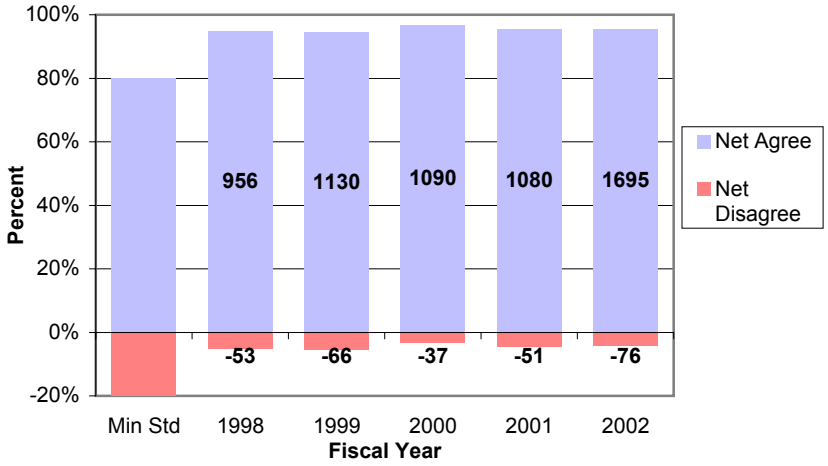
The minimum standard is set at 100% because that is the goal. To set a standard less than that would condone behavior that should not occur in the program.

13. Did poor student conduct in the classroom interfere with learning?

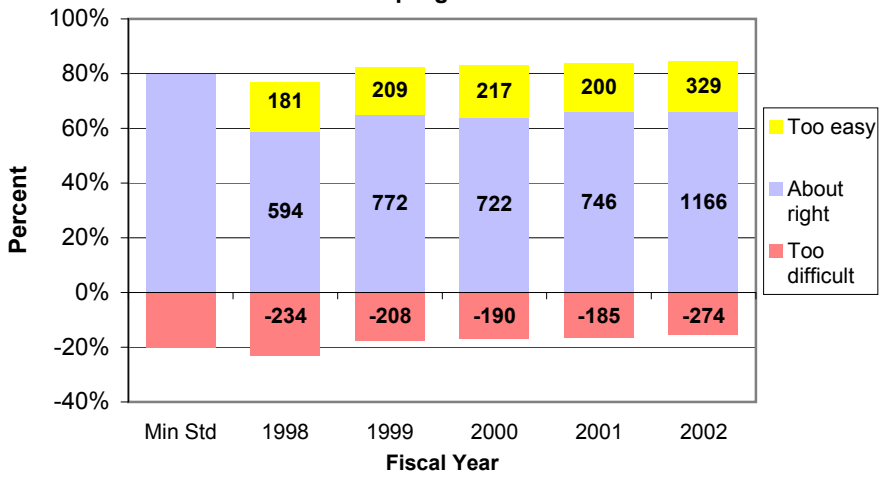


LEARNING SUPPORT

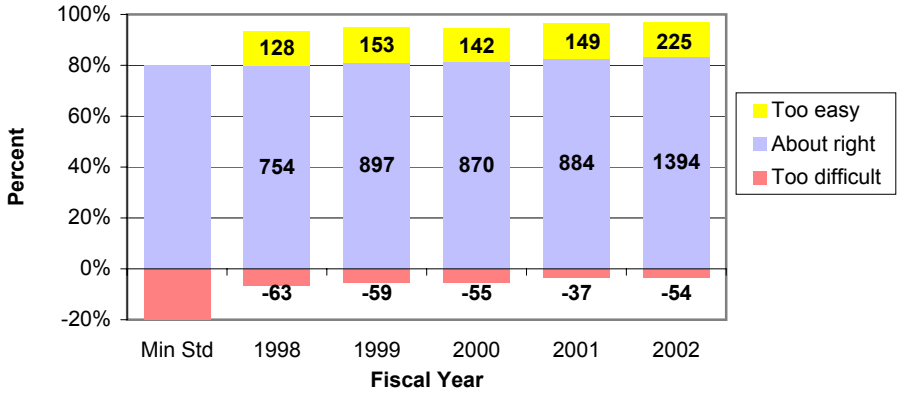
3. The written handout materials issued to me were helpful.



17. Rate the learning difficulty of this program.

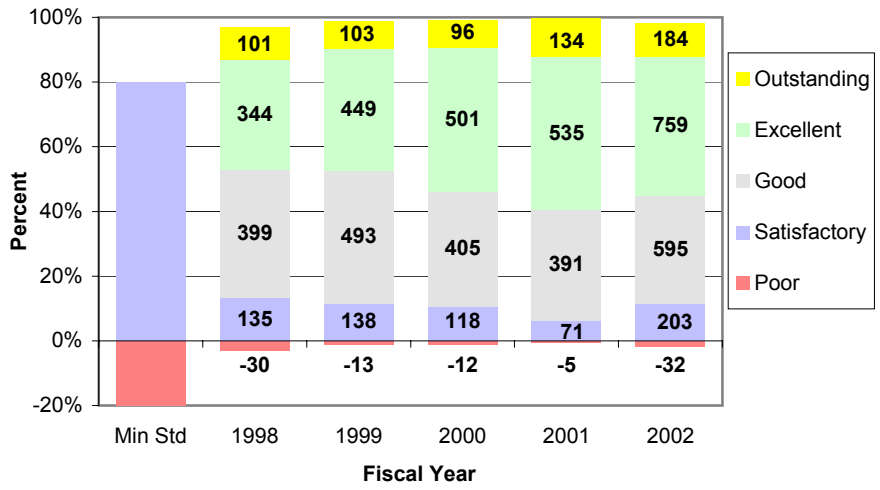


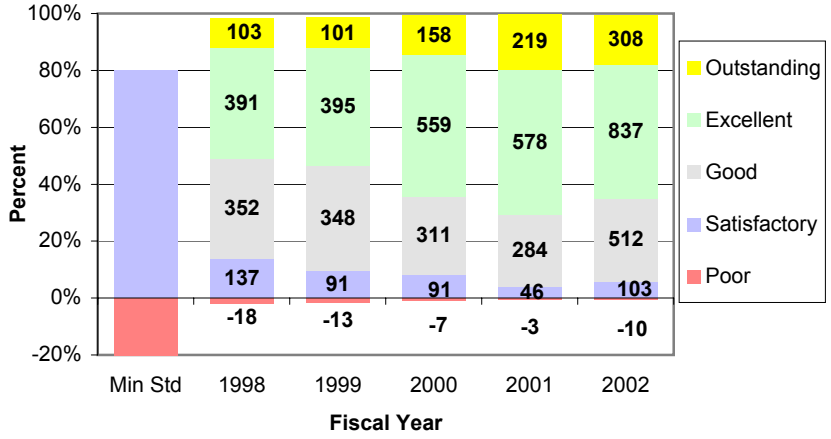
18. Rate the reading level of student texts and handout materials.



OVERALL RATINGS

19. Overall, I believe the quality of the training I received in this program was:





20. Overall, I believe the quality of the instructors who presented the training in this program was:
