DEPARTMENT OF HOMELAND SECURITY

FEDERAL LAW ENFORCEMENT TRAINING CENTERS **EMPLOYEE REASSIGNMENT AS REASONABLE ACCOMMODATION** OF LAST RESORT JOB SEARCH

Conducting a Search for a Vacant Position

It has been determined that there is no reasonable accommodation which would enable you to perform the essential functions of your current position. Accordingly, the Agency will now conduct a search for another vacant position, for which you are qualified, and to which you may be reassigned as an accommodation. The initial reassignment search will be within your employing Component. If a search for a reassignment within your employment Component does not produce suitable results, a search will be conducted Department-wide. To assist you in making informed decisions, any offer of a vacant position will be made in writing and will specify the consequences of rejecting the offer.

To ensure that an effective search may be conducted, you must answer the following questions. Your answers to these questions
