

FLETC Glynco

Dormitories

- The following items are provided by FLETC: alarm clock, towels, wash cloths, bar soap, toilet paper, sheets, pillow with case, blanket and bed spread. Personal care items not listed are the responsibility of the student. It is the responsibility of the student to launder FLETC issued uniforms and personal clothing. Plan to bring or purchase laundry detergent, bleach and/or softener. Clean towels, sheets, etc., are provided by maid service.
- Dormitories are centrally heated and air-conditioned. Irons are available but are very limited in number; students may find it advantageous to bring a travel iron. Televisions are furnished in the lounge areas. There are no facilities available for personal TV's as Brunswick is serviced by cable.
- No pets allowed.
- Dormitory rooms cannot be reserved in advance. The FLETC is a smoke free facility, thus smoking is not permitted inside any facility. Dormitory rooms are for student use only; there are no facilities for spouses, families, etc.
- Rooms for the handicapped are available (Special Needs). Requests for these rooms must be made in advance through your training representative.
- Dormitory phones are limited to dialing out only (no incoming); access is available for dialing toll free (or 800 number access), credit card dialing or within the local community.

Physical Techniques Division

T-shirts, gym shorts, sweat suits, supporters, athletic bras, socks, and towels are provided by the Center for student use during physical training classes. These uniforms are required while participating in physical activities in the Physical Techniques Complex including after-hour activities. Students are held accountable for missing items. Since athletic shoes are not available from the Center for student use, each student should bring his/her own athletic footwear (running/court shoes). Running shoes and athletic shoes used for street wear will not be allowed on the basketball or handball courts. These athletic surfaces require the use of shoes specifically designed for use on courts. Therefore, two pairs of athletic shoes are required--one pair for outdoor activities and one pair for indoor use.

Cameras and Photography

FLETC policy prohibits taking identifiable facial photos of students or staff without prior permission of the individuals involved. In addition, it is against the law for certain agency personnel to be photographed under any circumstances. (This policy stems from a need to protect criminal investigators who may perform undercover work.)

Although this policy does not preclude "fond memory" type photographs or photography necessary as a part of a course of instruction, students and their visitors are required to adhere to this policy and remain sensitive to its purpose and intent.

Please report all suspicious circumstances involving photographic film images being taken to the FLETC Security and Emergency Management Division at 912-267-2102.
