

The FLETG Student Services Division has just informed us due to the current and allocated student population for the month of March student-attorneys **will not be able** to stay on-center at the Build-Lease Dorms; therefore, all HSLTP-601 student-attorneys **will be housed off-center at a local hotel**. Once the hotel arrangements have been confirmed, I will send out an email with the details. In the meantime, please ensure your travel authorization include the Brunswick, Glynn County per diem **lodging rate of \$118.00 per night X 5 nights = \$590.00** (no lodging taxes).
