

Welcome to the FLETC Recreation Association

The FLETC Recreation Association is a non-profit organization comprised of Federal employees at the FLETC. Its primary mission is to provide for social and recreational activities for the staff and students attending training at the FLETC. The Association oversees a variety of businesses including the [FLETC Express Stores](#) at Glynco and Charleston, the [Child Care Center at Glynco](#), and the Student Centers at Glynco and Charleston. Your support of these on-Center businesses funds many Recreation Association activities for students and staff. Also, [Student Recreation activities](#) are augmented financially by the Recreation Association. Please consider that when deciding where to shop or to gather after hours.

For questions, please contact the Recreation Association General Manager at 265-2048 or janet@fletcrec.com.
