

When you click on the registration button below you will be taken to the below page. Click the 'I Agree' button to register.

After you click 'I Agree' you are taken to the page below. If you are a Federal student who is not registering through their agency representative, or a state, local, tribal or international student, then click 'I Agree' on this page.

NOTE: For Federal and International attendees, please ignore the statement that begins with "This system is for state and local students only..".

On this page enter the word 'CYCON' and then press the blue 'Search' button below. Under "Program" click on 'FLETC CYBER CONFERENCE 2020'.

Search for the programs you wish to attend. Search text searches program name, description and class name. From and To searches class start date only. Hover over the program to see detailed program descriptions. Classes listed on this site are subjected to change based on FLETC's need. FLETC reserves the right to cancel classes at any time.

Program	Class	Start date	End date	Tuition	Location	Status
Cybercrime and Technical Investigations Conference	V_FLETC_CY_CYCON-2001	09/09/2020	09/11/2020	No Cost	Online Training. Open nationwide.	AVAILABLE

Here you will click the 'Apply Now' blue blutton.

FLETC reserves the right to cancel classes at any time. Each class has a limited number of seats. We usually receive more applications than we have seats.

If a tuition cost is listed, your agency will be responsible for the cost of the class. If the class is listed as "no cost" the State, Local, and Tribal Division has covered the tuition for state, local, and tribal students in that specific offering. Classes held in Artesia, NM; Glynco, GA; and Charleston, SC include lodging and meals. This expense is included in the estimated course cost listed.

V_FLETC_CY_CYCON-2001

Program	Cybercrime and Technical Investigations Conference
Dates	09/09/2020 to 09/11/2020
Tuition	No Cost
Status	AVAILABLE
Location	Online Training. Open nationwide.
Prerequisites	Those registering for admission must be sworn law enforcement personnel, or non-sworn employees who directly support the law enforcement mission. All non-sworn employees must be sponsored by a law enforcement organization, in writing.
Description	The FLETC Cybercrime & Technical Investigations Training Conference – CYCON-2020, will now be conducted as a virtual event between September 9-11, 2020. Hosted by the FLETC Cyber Division, with support from the FLETC's Legal Division and the eLearning Branch, this event will offer multiple presentations in a variety of current cyber related topics. There will be no charge for attending these sessions.

Privacy - Terms

The Federal Law Enforcement Training Centers (FLETC) endeavors to provide training consistent with law enforcement situations you may encounter in your profession. Even though safety is a fundamental concern in all aspects of FLETC training, at times training activities may be rigorous and physically challenging. The below agreement eliminates any misunderstanding as to the risks you may face if you choose to participate fully in this program. The following statements must be selected before your application can be processed.

[View Agreement for Assumption of Risks](#)

I accept the risk involved in V_FLETC_CY_CYCON-2001
 I participate and am in full compliance with my Agency's established 'Medical Surveillance/Health Screening' program where I am deemed 'fit for duty'.
